GDC Development Outcomes

- 1. Effective communication with patients, the dental team, and others across dentistry, including when obtaining consent, dealing with complaints, and raising concerns when patients are at risk*
 - 2. Effective management of self, and effective management of others or effective work with others in the dental team, in the interests of patients at all times; providing constructive leadership where appropriate*
 - 3. Maintenance and development of knowledge and skill within your field of practice; and*
 - 4. Maintenance of skills, behaviours and attitudes, which maintain patient confidence in you and the dental profession and put patients' interests first.*
-

Speakers:

Julia Armstrong BA (Hons) LCGI FDTFEd Julia.armstrong@hee.nhs.uk

Julia is a Dental Tutor for the Dental Workforce Development Team at Health Education England and has been in post for over 13 years. She supports dental teams by commissioning and providing high quality education across the region. Julia also works with the Dental Foundation Team in quality management of Dental Foundation Training and DFTDCT schemes; Performance List Validation by Experience [PLVE] programmes and Dental Therapy Foundation training.

Julia is a Fellow of the Faculty of Dental Trainers [FDT] at the Royal College of Surgeons of Edinburgh and is an executive committee member of the FDT. She is a dental team Ambassador for the Faculty of Dental Surgery at the College, supporting clinical dental teams across Yorkshire and the Humber.

Julia is also a board member of the FGDP Yorkshire division. In addition to these posts, Julia works at Leeds Dental Institute delivering initial training for DCPs and is a supervising examiner and Diploma committee member for the National Examining Board for Dental Nurses.

Geraldine Birks BA(Hons) LCGI FDTFEd Geraldine.birks@hee.nhs.uk

Geraldine is a Health Education England Dental Tutor, responsible for producing and commissioning high quality dental education.

Geraldine has worked for the General Dental Council (GDC) in fitness to practise since 2009, her current roles are as an Investigating Committee Chair and a Clinical Case Examiner. Previously working as an EEA and Non EEA Registration Assessor and as a Quality Assurance Educational Inspector of UK dental schools.

Geraldine is also a Care Quality Commission (CQC) Dental Advisor, participating in primary and secondary care inspections. She is also an independent consultant and lecturer specialising in infection control.

Geraldine is a Fellow of the Faculty of Dental Trainers, Royal College of Surgeons of Edinburgh and sits on the Executive Board.
