# BSDHT Indemnity

- Launched in 2016, BSDHT Indemnity is a new insurance policy developed especially for dental hygienists and dental therapists.
- Usually insurance policies include dentists, who typically have a higher exposure of risk and therefore increase the chances of a higher premium.
- This product aims to provide value for dental hygienists and dental therapists without compromising on cover.
- This bespoke policy has been designed by the BSDHT and is administered by Bennett Gould and Partners, a Lloyd's of London insurance broker with a specialist Care and Medical team.

# What is covered

- Professional Indemnity
- Full Scope of Practice
- Public Liability cover as an optional add on.
- Breach of professional confidentiality
- Direct access covered as standard
- Inquest costs in respect of unexpected deaths which may give rise to a claim.
- Helpline for advice/support.
- General Dental Council Investigation Costs
- Automatic Run-off for 12 months for death, retirement, disability.
- Automatic Run-off for 12 months for maternity or paternity leave where the insurance is not renewed.
- Teeth Whitening under prescription
