

Are you interested in conducting clinical research, but not sure where to start?

DCP RESEARCH GROUP

Invitation to Inaugural Meeting

Saturday 25th June 2011
10.00am - 4.30pm

To encourage more DCPs to participate in clinical research the DCP Research Group is being launched in 2011 in partnership with Colgate. The inaugural meeting of this group will take place at the **Grand Connaught Rooms, 61-65 Great Queen Street, London, WC2B 5DA**. The nearest tube station is Covent Garden.

The programme will include presentations on the following topics:

- The evidence base for preventing oral diseases in the general population: what is available and what are the gaps in our knowledge
- Resources available to support DCPs in research
- Introduction to critical appraisal
- How to formulate a research question
- A review of DCP research projects in both Primary and Secondary Care

This event provides **5 hours verifiable CPD** and is available to all GDC registered DCPs. To register for your **complimentary place**, please call the DCP Research Group Registration Line on **0161 665 5878**.

***** Places are limited, please book early to avoid disappointment *****
