

## **Our website needs your photographs!**

The website is undergoing a revamp and we are looking for appropriate images to go on the home page and possibly other pages too (see the website for the different sections). Get creative and send us your images.

They need to be original, have no copyright restrictions and in jpeg format as a standalone image (not embedded in any other document). A maximum of five images per person.

Send your images to [enquiries@bsdht.org.uk](mailto:enquiries@bsdht.org.uk) by 9 August 2011 and good luck!
